« **MURATTO**[®] is one of the most highly distinguished brands of natural surface design, with Portuguese origin.

With a profile that is distinguished by its dynamism and innovation, the company emerged in 2013, with the purpose of offering dazzling covering solutions. Focused on being an innovative brand in the design and production of coating finishes, MURATTO[®] is guided by a vision that focus on sustainable growth, relying on four main values:

Natural Lifestyle, Design, Sharing and Interior Comfort. »»

VASCO BARROS, MURATTO CEO

NATURAL LIFESTYLE Base all processes on the importance of a sustainable development, always working with natural raw materials and trying to contribute to a natural lifestyle, doing so with a positive attitude towards itself and others.

DESIGN Based on the active creation of products and processes, seeking inspiration in the most varied forms of vision in various countries.

SHARING Worldwide presence; designers from different countries; listening to the clients; online presence; supporting social causes; share ideas with others.

INTERIOR COMFORT Each and every product is endowed with features that offer a positive impact on the daily life of its users.

AWARDS

Over the past few years, Muratto has been influencing the world of interior design with its unique products around the world. Proof of this are the several awards that the brand has won over time worldwide.

NY Metro Chapter Award,
USA, 2015

Design Tokyo Products Award,
Japan, 2016

2019 NOMINATED

MDO Monte Carlo prize,
Monaco, 2019

AIT Trendscouting Award, Euroshop,
Germany, 2017

European Product Design Award, 2017

World Build Awards, WorldBuild Moscow /
MosBuild, Russia, 2018

Best Exhibit Competition BD WEST LA,
Boutique Design West, USA, 2018

REFERENCES

Muratto's presence all over the world is ever increasing, with design materials placed in the spaces of world-renowned brands. These are just some of the companies that created magically different spaces, in which Muratto has the pleasure of being present.

CONCRETE COVERING SOLUTIONS

BEEHIVE DESIGN BLOCK - ORGANIC BLOCKS

BEEHIVE DESIGN BLOCK - ORGANIC BLOCKS

The shape of BEEHIVE results from the union of different geometrical planes that grow in an organic way. It is a progression from a basic honeycomb, at once natural and contemporary. The pattern appears to move, yet it is balanced, giving dynamism, energy and emotion to the environment.

MATERIAL Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.

SIZE 248 x 180 x 20 mm

INSTALLATION glue or stickers

WEIGHT (BOX) 3,010 kg

PACKED 16 tiles, area 0,7136 sqm

FIRE RESISTANT B-S1,d0 (En13823)

ACOUSTIC (NRC) 0,3 (EN ISO 11654)

THERMAL CONDUCTIBILITY (W/M.C) 0,0468 (EN 12667-2001)

THERMAL RESISTANCE (M2C/W) 0,47 (EN 12667-2001)

RECYCLABLE

CHOCK DESIGN BLOCK - ORGANIC BLOCKS

CHOCK DESIGN BLOCK - ORGANIC BLOCKS

Designed for high visual impact in larger areas and spacious rooms, CHOCK has four diagonal lines that emerge from the center of each square, like four windows that open in different directions. Thanks to the simple geometry of the four pieces that compose CHOCK, each piece retains its identity while blending into the overall effect.

MATERIAL Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.

SIZE 248 x 248 x 24 mm

INSTALLATION glue or stickers

WEIGHT (BOX) 3,330 kg

PACKED 16 tiles, area 0,99 sqm

FIRE RESISTANT B-S1,d0 (En13823)

ACOUSTIC (NRC) 0,3 (EN ISO 11654)

THERMAL CONDUCTIBILITY (W/M.C) 0,0468 (EN 12667-2001)

THERMAL RESISTANCE (M2C/W) 0,47 (EN 12667-2001)

100% NATURAL
MADE MAINLY OF
CORK GRANULES,
NATURAL &
RECYCLABLE

MINICHOCK DESIGN BLOCK - ORGANIC BLOCKS

MINICHOCK DESIGN BLOCK - ORGANIC BLOCKS

Designed for intimate spaces, MINICHOCK is composed of squares of four smaller squares meeting at different angles. The repeated shape creates a captivating mosaic pattern. The pattern is simple but contributes to an emotive, dynamic and playful environment.

PEAK DESIGN BLOCK - ORGANIC BLOCKS

PEAK DESIGN BLOCK - ORGANIC BLOCKS

Each square of the PEAK is made up of four asymmetrical triangles that converge at a peak. The repeated pattern suggests the idea of mountains and creates a reflection of the surrounding light. Turning to nature for inspiration, PEAK creates different moods based on the mixing and matching of colors.

MATERIAL Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.

SIZE 248 x 248 x 24 mm

INSTALLATION glue or stickers

WEIGHT (BOX) 3,045 kg

SENSES DESIGN BLOCK - ORGANIC BLOCKS

SENSES DESIGN BLOCK - ORGANIC BLOCKS

A smoothly curved hourglass shape is organized in horizontal and vertical orientations, creating an organic pattern. The shape of SENSES is inspired by the undulations of nature, while its volume gives dimension to smooth walls. SENSES can cover walls partially or entirely, allowing flexibility and individuality.

MATERIAL Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.

SIZE 248 x 160 x 43 mm

INSTALLATION glue or stickers

HEXAGON DESIGN BLOCK - ORGANIC BLOCKS

HEXAGON DESIGN BLOCK - ORGANIC BLOCKS

The HEXAGON is one of the geometric shapes that exists in nature, as does our cork material, and it is associated with communication, balance and union. By creating additional internal shapes, the HEXAGON allows a interface of each and all tiles, creating a unique result.

MATERIAL Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.

SIZE 217 x 188 x 25 mm

INSTALLATION glue or stickers

WEIGHT (BOX) 3,220 kg

PACKED 22 tiles, area 0,5929 sqm

DROP DESIGN BLOCK - ORGANIC BLOCKS

DROP DESIGN BLOCK - ORGANIC BLOCKS

Having been inspired by motions of nature, DROP conveys the lightness and purity of water. This piece transforms a fluid dynamic combined with an organic surface, conveying a 3D feel due to its volume. The pattern created with this piece turns any wall into a realistic waterfall.

MATERIAL Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.

SIZE 230 x 150 x 42 mm

INSTALLATION glue or stickers

WEIGHT (BOX) 2,600 kg

PACKED 15 tiles, area 0,337 sqm

ORGANIC MOSS DESIGN BLOCKS - ORGANIC BLOCKS

ORGANIC MOSS DESIGN BLOCKS - ORGANIC BLOCKS

In a rectangular shape, the pieces of this range combine the beauty of cork with the naturalness of the moss. With a vividly green appearance and fresh soft feel, the Organic Moss allow to form interesting and irreverent patterns, either with one of the pieces or with the combination of the two. This is a 100% natural and genuine product that does not require any maintenance.

COMPLEMENTS DESIGN BLOCKS - ORGANIC BLOCKS

COMPLEMENTS DESIGN BLOCKS - ORGANIC BLOCKS

LIGHTING MODULES

The LIGHTING MODULES provide a complete new level of decoration and design, creating different patterns with the same product. Developed for CHOCK, MINICHOCK and PEAK. Designed and assembled in Germany.

INSTALLATION GUIDE The LED Lamp is pre-wired and pre-assembled for wall mounting installation. The module must be placed centered on the wall surface. The distance between the drill holes is 7,7cm. The installation should be done by an experienced technician. LED driver from MW-Lighting has CE.

SIZE 200 x 200 x 40 mm

INSTALLATION screws (fix to the wall) / glue (for the design block)

WEIGHT (BOX) 0,890 kg

PACKED 1 module

LIGHT COLOR 4000 K

COLOR black and white

LAMP 8 LED/

POWER 10 W

TENSION 230 V

STICKERS

STICKERS are a complement to fix the DESIGN BLOCKS without applying adhesive. Composed of scrim tape with an acrylic glue, they are easy to use, completely transparent, very strong yet still removable.

SIZE 5000 x 1,5 mm

COLOR transparent

PACKED 1 roll

INFINITY CORK STRIPS - ORGANIC BLOCKS

INFINITY CORK STRIPS - ORGANIC BLOCKS

Composed by a series of horizontal stripes, the Cork Strips INFINITY are the perfect connection between simplicity and comfort. Its lines form a continuous pattern that through its volume creates fantastic optical illusions and light effects. Cork Strips Infinity allows combinations to be made in different orientations and in different colors, allowing creating unique and refined interiors that seems to have no end due to its solid lines.

MATERIAL Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.

SIZE 693 x 393 x 7 mm

INSTALLATION glue

WEIGHT (BOX) 6,20 kg

PACKED 10 tiles, area 2,72 sqm

GEOMETRIC CORK STRIPS - ORGANIC BLOCKS

GEOMETRIC CORK STRIPS - ORGANIC BLOCKS

Cork Strips GEOMETRIC is formed by a set of geometric shapes that, all together, create magnificent visual effects. With just one piece it is possible to visualize hexagons, rhombuses, parallelograms and even triangles. Creating a wall with several pieces, the pattern becomes continuous and provides a 3D visual effect. Cork Strips GEOMETRIC allows you to create refined interiors that are, at the same time, very modern.

MATERIAL Massive cork pieces agglomerated with special resins and additives, molded in shape with mass color pigmentation.

CORK BRICKS GRAND

CORK BRICKS GRAND

CORK BRICKS GRAND is an allusion to the traditional brick, while renewing the vision of cork in its natural form, yet continuing the sense of comfort and warmth. The CORK BRICKS GRAND provide an immensity of pattern possibilities, through the endless array of shape and color combinations. The style of European artisanship and the handmade contemporary appeal provide an irreverent appearance to the CORK BRICKS GRAND, while the inherent aspects of cork still remain true.

MATERIAL Natural cork pieces, pre-cleaned and treated, with an immersion finish of color pigments and other protection additives.

PLANKS

STANDARD CONCRETE FLEX

STANDARD CONCRETE FLEX

CONCRETE FLEX STANDARD is an environmentally friendly and sustainable product that redefines the concrete concept. These panels have an exquisite industrial look, while being extremely sophisticated at the same time. This is achieved through a composite of flexible concrete, and innovative technical properties. The panels of this range are flexible and lightweight, with a high dimensional stability. The collection is resistant to fire, microorganisms, moisture, ice and defrosting, high impact and insects. These differentiating characteristics allow this product range to be truly unique in the market.

MAX CONCRETE FLEX

MAX CONCRETE FLEX

CONCRETE FLEX MAX is an environmentally friendly and sustainable product that redefines the concrete concept. The planks have an exquisite industrial look, while being extremely sophisticated at the same time. This is achieved through a composite of flexible concrete, and innovative technical properties. With a larger dimension compared to Concrete Flex Standard, this product makes it possible to cover large walls more easily, giving a feeling of grandeur. The panels are flexible and have a high dimensional stability. The collection is resistant to fire, microorganisms, moisture, ice and defrosting, high impact and insects. These differentiating characteristics allow this product range to be truly unique in the market.

MARKETING TOOLS

MURATTO'S WEBPAGE

MURATTO'S WEBPAGE is considered the most effective marketing and communication tool of the brand. This is due to the fact that it is well prepared to support partners and customers throughout their possible online research on MURATTO and its products. Thus, the webpage has several important topics, which include the presentation of the brand, all product characteristics, reference projects and brands that have used MURATTO in their creations, a simulator that allows you to try the product layout in several spaces, among others. Therefore, MURATTO advises all partners to use the webpage as their principal support in all commercial and promotional activities.

PRESS KIT

The PRESS KIT contains the most important information about MURATTO, so it can be used as a marketing and public relations tool, supporting and facilitating the client approach.

CATALOGS

CATALOGS are a very useful promotion tool for the dissemination of all products. They contain all the technical information of all ranges, followed by illustrative images. It also makes reference to the MURATTO milestones, publicizing the awards, reference projects, among other important topics.

SAMPLE BOX

The SAMPLE BOX is the most recent and masterful marketing tool. It is a large box, perfect to show the entire product range, per collection. This means that each client can personalize the Sample Box, according to his needs, having one box per collection.

MARKETING TOOLS

ARCHITECT BOX

The Architect Box contains a Catalog with information about the company and its collections and products, and a real sample of the material available in each collection as well. It is an excellent tool to showcase the important details in each product, also providing a real perspective and feeling. Therefore, the Architect Box is an easy and powerful way to present the large product portfolio of Muratto.

SHOWROOM PLACEMENT

Muratto also offers a showroom and exhibition design service, preparing the design and advising the client on the most accurate way to present the products and the brand at the point of sale. This is a service of extreme importance, as the exhibition stand or showroom presentation makes all the difference in the true perception of the material.

INSTALLATION INSTRUCTIONS

In order for any installation of MURATTO products to be successful, you should follow certain steps. Therefore, we invite you to check our Installation Instruction Tutorials, in our webpage (B2B Area). Each collection has its own video. Please follow the steps, so that you can get a fantastic final result. Then, please share your creation with us!
